Dear Doctor:

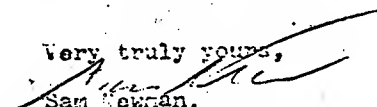

Mr. Sergio Arca che of this city rented an office from me for a period of five months at \$50.00 per month total \$250.00 and I did not charge them the rent until they collected money for the C-USADE TO FREE CUBA.

My account was the oldest one and at present I have not been paid as Mr. Luis Sabol said that they did not have any more money at the present but said that they will pay me on the next drive or when they get more money. I feel like I have been getting the run around as one person stalls me off and refers me to another each time.

Would appreciate very much if you will see that I get my money as I helped the boys when they first started and I gave them an office to work out of which was agreed that the first monies that came in I would get mine.

Hope to hear from you at your earliest convenience and oblige.

Very truly yours,

Sam Newman,
